HEY!
YOU'RE MAKING THIS EVERYONE SING FOR ME!
!?
W-WA.. WAH!
HUH?
...HE'S BRIGHT-TEMPERED?

A SCAR?
DASH!
He ran away...
Ah, but I'm still lost!

HE HAD SUCH A SCARY EXPRESSION ON HIS FACE...
WHAT'S WITH THAT GUY?
WHAT'S GOING ON?
DID I...DO SOMETHING WRONG?
My parents started treating me like a burden...
GULP
It's been a year since I became deaf
SIGH
And those who I thought were my friends started leaving me.... one after another.
Even though I survived, my world had died.

Tonight's nice and cool
HMM?
THAT GUY'S...
What's he doing out so late at night?
clap
clap
I get it
As I thought He doesn't even notice that I'm here
JUMPS
SO YOU CAN'T HEAR.

scaring you the last time, my name's Tsukahara Kazuki
Let me borrow that
I'm sorry for
Mine's Hashimoto Toru
scribble scribble
SO YOU'RE TOORU-KUN!
LET ME BOR-ROW THAT AGAIN.
AH, AN ACCIDENT
HMM? AH... I WAS LOST THAT TIME

Why don't you use a cane? I'm sure people will understand that you have a handicap that way
I haven't memorized everything yet
Do you know sign language, Touru-kun?
!
I DON'T !
scribble
scribble
I don't need that sort of thing! Even though I can't hear very well, it's not a handicap to me!
PAT
CHOCO
Then why are you all alone in the park so late at night?
ANNOYED
POUT
麗人

If you didn't think it was a handicap, you'd be fine with walking out on the streets during day, wouldn't you?
Look?
I hate the crowds I don't like how people look at me
It's like they're pitying me or they're looking down on me or they're looking at something that's totally different from them

You think of yourself as a victim
What if you were just blaming your disability on other people?
That's because

Damn he was just so cute that I ended up hugging him.

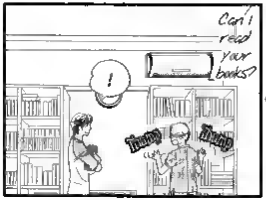
I believe that it takes just as much effort for a healthy person and a handicapped person to live their lives
Perhaps the one who's really discriminating against a handicapped individual is you?

Several days later

I'm sure he thinks I'm an unpleasant person now!
HMM-MM. I GUESS THERE'S REALLY NO REASON FOR HIM TO BE COMING
TOORU-KUN!
Ah, you're carrying a cane
I'M SORRY MY HOUSE IS IN SUCH A MESS... WAIT, I GUESS YOU CAN'T HEAR ME
HM?
"I HAVE A LOT OF BOOKS? WELL, IT'S PART OF MY JOB.
tap-tap
tap-tap

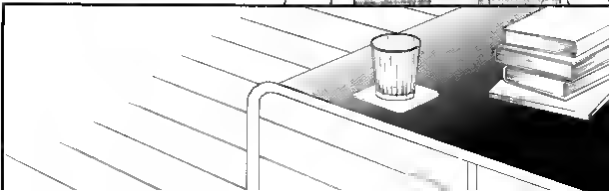
Actually, I only write erotic stuff.
AH— BAH, I WRITE ABOUT MANY THINGS.
What do you write? Horror? Romance? Mystery?

NOT AT ALL.
You're a novelist?!
Amazing!



Can I read your books?
!
Thump
Thump

Uh, it feels like his imagination is running.
Imagination is running.
AMAZED
Go ahead, you can read as many as you want!



I bought this.
The Simple Sign Language Dictionary
...
YOU TOOK MY ADVICE.
This is, Hesse?
YOU'RE SO CUTE THAT IT TROUBLES ME

SENSEI, THE FEMALE LEAD SEEMS TO BE QUITE BOYISH THIS TIME
SHOCK
I-IS THAT SO...
It reminds me a erotic love a lot better
IT'S FINE THAT WAY TOO THOUGH

OKAY, I'LL BE TAKING YOUR MANUSCRIPT ALONG WITH ME
I'll be looking forward to the next one.
SU..RE.

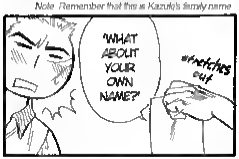
WHAT AM I GOING TO DO—

Note: Remember that this is Kazuki's family name



I LIKE THE ARROGANT AND THE COURAGEOUS PARTS OF YOU...
I ALSO LIKE HOW YOU'VE BECOME SO DEPENDENT ON SOMEONE AS TAINTED AS ME...
YOU'RE JUST SO DARN CUTE,
THAT I CAN'T HELP LOVING YOU.
I LIKE YOU.

I'm going home!
I have something To do, so
I understand
I SEE.
← He remembered the sign.
STANDS
BE CAREFUL
blush
nod

I must have been mistaken.
I love you
THAT'S IMPOS-SIBLE!
Tsukahara san towards me? No way, we're both males!
No, no, no, it's impossible

Actually, if I were to think over this calmly, it's not strange for him to say something like that. He's a novelist, so he must have been thinking about his books and unconsciously mouthed his thoughts
DING
DONG
Because I kept telling myself it was impossible, I spent one week agonizing over it
I'M JUST SO BOUND UP IN WORK NOW THAT I'LL BE KEEPING MYSELF INDOORS FOR A WEEK OR SO
I was just freaking out over something I had deluded myself with. It was just natural for him
OPEN
'I'M SORRY' TOORU KUN!
!
I understand

* Note: No text in box

What am I getting so depressed about?
Am I angry because he didn't tell me he had a girlfriend?
Or is it because he put his girlfriend before me?
Or is it because I misunderstood him telling me I like you?
I'm such an idiot.

DING DONG
It's been a week but...
Is it really alright for me to be here?
OPEN
WEL COME.
drained
I should I really have come?

I'LL BE ABLE TO GET THIS STRAIGHTENED OUT IN A MOMENT SO YOU CAN JUST SIT OVER...
WAIT...
He's really been awfully busy...
I'M SORRY, IT'S REALLY MESSY IN HERE...
THUD
WAIT, DON'T YOU CARE!

MEMO PAD
A manuscript?
Mannerism text. He hid the large scar on his face, and he trembled a little. Then, licked the soft muscles. Ahh. Licked his deaf ear. Ah. Ahhhh. mmm. The area around his ears flushed red. And the sweet liquid which overflowed. As he increased the number of fingers in. He sucked in the hot fluid. Ha. ssshhh! Slowly. He easily slid into.
Ah, he's reading something.
WOULD YOU CARE TO WAIT FOR A WHILE OVER THERE...
Uh-hm soon because...
TORU

Keep silent for now
Now

AHH, ARE YOU GOING TO GET ONE OF THOSE?
Hearing-aid catalogue
I do want one, but a hearing aid costs 200,000 yen per piece.
Not yet, it's way too expensive for me.

Note: 200,000 yen approx = 1690 USD

I'm going to get a part-time job to earn some money to buy one.
Why don't you work over at my place?
Why don't you work over at my place?
write
write
Your aura is miraculous!
I DON'T WANT TO!
Oh
WHAT A SHAME.
Shake
Thank you, Tsukahara-san.
Pat
But

I want to find something that I'm capable of doing and work hard at that
After all, it was you who made me realize the importance of that
WELL, I GUESS I CAN'T DO ANYTHING ABOUT THAT... BUT
YOU CAN LET ME DO ALL THE "WORKING" FOR TODAY.
Maybe tomorrow instead.
The End
The magic key to a stubborn heart is indeed, love?!
